All-you-can-eat and free-flow bubbles await – 54 floors above Bangkok with UNO MAS's Champagne brunch

For a Champagne brunch with a view (and cooling breeze from 54 floors up), nowhere in Bangkok quite does things like UNO MAS restaurant Centara Grand at CentralWorld .

It's our tradition to kick-off every month in style – the way it should be – with UNO MAS's series of "Fabuloso" brunches held every first Sunday of the month.

One all-inclusive price of THB 3,555++ per person gets you unlimited access to premium imported delicacies (like Iberico ham and cold cuts), signature Spanish cooked-to-order dishes, a tapas selection and much more.

For seafood lovers, we also highly-recommend indulging in our fresh oysters (we have four kinds), jumbo prawns and lobster.

For an extra-bubbly way to spend the late morning into the early afternoon, we also have free-flow pours of G.H. Mumm Cordon Rouge, as well as soft drinks.

The next Fabuloso Champagne Brunch at UNO MAS is being held on 07 April and the following one on 05 May – both running from 11.30 – 14.30.

For bookings, please call UNO MAS restaurant, Centara Grand at CentralWorld, on 02-100-6255 or email diningcgcw@chr.co.th.
