ASEAN : SPU : Sripatum University takes leadership role in an international research on e-Learning and OER utilization for the ASEAN Cyber University (ACU)

Sripatum University (SPU) takes leadership role in an international research on e-Learning and OER (Open Educational Resources) utilization for the ASEAN Cyber University (ACU)

Dr. Vorasuang Duangchinda, Director of Office of Online Education from SPU has been appointed as Project Leader of the research team, with Dr. Rutchaneeporn Pookayaporn Phukkamarn, President of SPU and Assistant Professor Dr. Wirat Lertpaitoonpan serving as Advisory Board to the project.

On Tuesday, February 2, 2016, experts and high-ranking government officials from all ASEAN member states participated in the brain-storming session on how to properly and effectively utilize e-Learning and OER (Open Educational Resources) for the ASEAN Cyber University (ACU) at Hotel Windsor Suites & Convention, Sukhunvit 20, Bangkok, Thailand.

Outcome of this research will serve as an integral part in the long term strategic planning of the ACU, which will eventually bring a great benefits of quality education to the ASEAN citizens. #SRIPATUM #SPU #Dek59
