Year-end Blood Donation by Hotel Baraquda Pattaya MGallery by Sofitel and Mercure Pattaya Hotel

The importance of donating blood cannot be denied and on occasion hospitals and clinics run short of essential supplies therefore on 26th December 2017 the colleagues from both Hotel Baraquda Pattaya MGallery by Sofitel and Mercure Pattaya Hotel joined a quarterly blood donation program at Hotel Baraquda Pattaya MGallery By Sofitel. There were many volunteers from Mercure and Baraquda with team members from all departments queuing to willingly donate their blood.
All participants agreed how important it was for everybody to play their part in caring and sharing for the people in our community.
