Magnolia awarded BCI Asia Awards 2017 For the best developer in architectural design

Mr. Assada Kaeokhiao, Deputy Chief Operating Officer of Magnolia Quality Development Corporation (MQDC) received “BCI Asia Awards 2017” as MQDC was recognized as the top ten most outstanding and influential property developer during 2017. Mr. Richard Juggery, Managing Director of Thai Gypsum Products Pcl. and Dr. Matthias Krups, Chairman of BCI Media Group are presenting this accolade at Centara Grand Bangkok Convention Centre.

BCI Top 10 Awards is one of the most anticipated and coveted award for architects in Asia. This award is bestowed to architects with outstanding works that was influential to the construction industry during the previous year. The award ceremony will allow participants opportunities for networking with leading property developers, architecture companies, construction companies, material producers, other service providers and investors in the construction industry in Asia.

BCI Top 10 Awards ceremony is held every year in seven Asian countries, including Hong Kong, Indonesia, Malaysia, the Philippines, Singapore, Thailand and Vietnam. For more information, please visit www.bciasiatop10awards.com/
