New “Oceans Beach Club Bar & Grill” at Centara Grand Mirage Beach Resort Pattaya

Enjoy a relaxing afternoon with a fresh new take on coastal cuisine and handcrafted cocktails. Explore our range of outdoor settings with breath taking views of the oceanfront. Lounge away in one of the beachfront beds and enjoy uncomplicated, flavorful and healthy dishes prepared simply but elegantly and reflecting a unique blend of cooking styles and ingredients of the cultures.

Turn the lights down and the beats go up, with sophisticated twist to grills and cocktails. Fresh catch, sizzles on the grill whilst the hickory-flavored charcoal infuses all that adores the iron.

You will find us on the beachfront of Centara Grand Mirage Beach Resort Pattaya. Call us on (038) 714-981 for your reservation.
