A Special Treat for Mother’s Day at Pathumwan Princess Hotel

Mother’s Day in Thailand is always an auspicious occasion, commemorating, as it does, the birthday of Her Majesty Queen Sirikit on Sunday 12th August. To
celebrate this memorable event, CiTi BiSTRo is offering lunch or dinner FREE for mother, when accompanied by 3 adults. And there will be a special chef’s
complimentary gift for mother.

The Thai seafood buffet will also feature the “Seafood Pot” – a famous local mixed seafood recipe, with our own special sauce. This all-you-can-eat feast is just THB 1,390 nett per person (children half price)
