A Stylish Feast to end the Year

Bangkok’s finest, most grandiose New Year’s Eve buffet will surely be at Citi Bistro this year. Join us and you will be amazed – an ice carving display housing river prawns, Alaskan snow crabs, Canadian and rock lobsters; a fresh oyster bar with Fine de Clair and Korean oysters; a selection of Italian cold cuts and assorted cheeses; a Thai ‘Live’ station with national favorites; roasted Australian prime rib and roasted leg of lamb carved just as you like it, with an array of freshly selected vegetables; an abundance of international cuisines including Singaporean chili crabs, braised Wagyu beef brisket and grilled lamb rack with ratatouille. Leave room, though, for a selection of the delicious desserts with freshly made home-made ice-cream, crème brûlée, mangosteen pudding, to name but a few. This gargantuan spread is just THB 2800 (Children under 12 THB 1400).
