A Sweet Taste of France at Treats Gourmet Chatrium Hotel Riverside Bangkok

Whenever people visit France, one of the things they fall in love with is the classic French patisserie shop. They are always full of the most decadent baked goods and it is always impossible just to try one sweet treat. But this month you don’t need to fly to France to indulge, as we present to you the finest Opera Cake, Mille Feuille, Strawberry Macaron, Lemon Tart, Blueberry Mousse Cake and Apple Butter Pie. Which one will be your favourite?
