

Anantara Siam Presents Exclusive Crocodile Leather Mooncake Box by PELLEVAH

Anantara Siam Bangkok Hotel unveils its limited edition Crocodile Mooncake Box made by Thailand premium leather designer PELLEVAH exclusively for the 2018 Mid-Autumn Festival.

The Crocodile Mooncake Box is handcrafted from PELLEVAH's highest quality Siamese crocodile skin. The sophisticated ruby red skin is accented with the finest cow leather in a 24 carat gold tone. Each box is decorated with a meticulous lotus motif hand painted by a traditional Thai artist.

The octagon shaped box opens from the front revealing four drawers inside. Each drawer contains a freshly baked exquisite mooncake. The box's timeless style is designed for use after the festival as an elegant display or jewelry box.

Only eight elite Crocodile Mooncake Boxes will be produced for ultimate exclusivity. Eight is the luckiest number in Chinese culture, symbolising prosperity, success, and fortune.

Each mooncake box is handmade by two expert PELLEVAH craftsmen over a ten-day manufacturing process. The boxes are crafted from two crocodile belly skins per box – the most precious and aesthetic part of the crocodile skin, giving each box a unique pattern.

PELLEVAH ensures the utmost ethical standards of its products by only purchasing crocodile skins from certified farms adhering to the international CITES regulations and laws to protect wildlife species.

The retail price of each exclusive Crocodile Mooncake Box is THB 288,888 VAT included.

Anantara Siam's bakery Mocha & Muffins offers two additional special designed mooncake boxes of 4 pieces:

- Red Velvet Leather Box, a similarly shaped elegant octagon box with four drawers. Priced at THB 1,600+ (170 g per piece).

- Premium Red Velvet Box, a standout half-moon design opens up to a full-moon shape revealing a golden lotus symbol. Priced at THB 950+ (60 g per piece).

Handcrafted mooncakes are available in 4 classic flavourful fillings including Custard, Green Tea, Durian Single Yolk and Jujube Single Yolk, and can also be purchased per piece at the bakery.
