

Annual Fire Drill and Fire Evacuation Training 2018 at Dusit Thani Pattaya

Pattaya, Thailand - June 2018 - The management and staff of Dusit Thani Pattaya recently participated in the “Annual Fire Drill and Fire Evacuation Training 2018” to ensure the safety of hotel guests and team members.

Employees from various departments joined the programme, which covered fire safety fundamentals such as hazard recognition and prevention, as well as the proper use of smoke detectors, fire alarms, fire extinguishers and fire hoses.

In the afternoon, participants also had the opportunity to learn basic first aid, with qualified nurses demonstrating how to professionally carry out CPR and other life-saving techniques. The day was capped with a fire evacuation drill and a demonstration of how to extinguish different types of fire.
