

Anthology Art Exhibition

Centara Grand and Bangkok Convention Centre at CentralWorld would like to welcome you to Anthology Art exhibition by Verapong Srirakulkitjakarn at Sky Lobby 23 floor Centara Grand at Central world. This new exhibition is open from now to 02 August 2019, with part of the income from purchases going a charity, Priest Hospital Foundation.

Verapong Srirakulkitjakarn has brought important new works that represent the artist's unwavering commitment. The exhibition Anthology is a solo exhibition of oil paintings, in which the artist makes humble comparisons to world history.

Notably, the exhibition consists of works that were painted using swift strokes, expressively representing the artist's emotions at the time of conception.

For more information or to receive a catalogue, please contact 02 100 1234 (extension 6753-56). Entry to the exhibition is free of charge.
