“We are humbled by the recognition accorded by the International Hotel Awards to our hospitality products across Asia Pacific and is another landmark in our pursuit of contributing unique products and services to the international hospitality industry” said Mr. Nishant Grover, Chief Operating Officer, Asset World Corporation.

The International Hotel Awards global competition determines the finest hotels and hospitality companies in the world. The awards are based out of United Kingdom and split into regions covering Asia Pacific, Arabia & Africa, the Americas, the Caribbean, Europe and UK.

The Asia Pacific regional awards were presented at a glittering ceremony held at The Marriott Marquis Queen’s Park Bangkok, on Friday, May 4, 2018.

Asset World Corporation’s core business is to invest in and develop real estate projects in the hospitality, retail, commercial, industrial and energy sectors in Thailand and worldwide.
