

Attico Takes Guests on a Perfect Italian Journey with Opera, Wine and Food

On May 12th, 2017, Venues' Attico launched its new gastronomic promotion, "Opera, Wine and Food... a Perfect Italian Journey" and took twelve illustrious guests on an epicurean voyage around Italy to mark this date. Dinner guests included TV host and MC Dr. Kritika Kongsompong, Khun Vee Mar, Prezioso Jewelry CEO Khun Paul Prezioso, guest of honor Cavaliere Enzo Peroni, CEO of EPGroup of Companies and several more.

From today for the next twelve weeks, Attico's guests can taste the distinct local flavors of a different region in Italy every week and try some of the country's lesser-known specialties paired with carefully chosen wines. To complete this celebration of Italian culture and add to Attico's Tuscan atmosphere, arias from some of the most celebrated operas will be played.

"Food lovers around the world agree that Italy has a uniquely rich and diverse heritage when it comes to culture, food and lifestyle. We want to share more of this legacy with our guests in these twelve weeks which is why our resident chef, Matteo Verini and his team have created this one-of-a-kind culinary tour. It will sweep guests off their feet and take them on a trip to the heart of the Mediterranean without them ever having to leave Bangkok," says Radisson BLU Plaza General Manager Peter Feran.

Guests are invited on this special culinary tour around Italy at Venues' Attico Restaurant from now to August 4th, 2017. Dishes are served at dinner time only.
