Axalta Introduces New Premium Crystal Clear Product in Thailand

Axalta Introduces New Premium Crystal Clear Product in Thailand

Axalta (NYSE: AXTA), the world’s leader in automotive refinish coatings and a leading global supplier of liquid and powder coatings, today launches a new product for economy coating segment regarding the continued growth of this segment. In the meantime, this extended to the market for end-users in various body shops in order to meet the needs of all clusters of customers who want the product with values for money.

To serve the customer requirement Nason fulfill the gap with introducing Nason 499-00, premium Clear 2 crystal lacquer (2K), 2:1 type, medium concentration, deep shine, durable, resistant to acids. It can be sprayed to spot repair, easy to use and easy to spray.

One pack includes 3.4 liters with 0.85 liters of hardener. For better performance use together with Nason 483-99 Activator. Please call for a special price at your local dealers or product details at Tel 02-734-5000 or visit Facebook: AxaltaThailand.
