BANGKOK MARRIOTT HOTEL SUKHUMVIT SUPPORTS WORLDWIDE EARTH HOUR MOVEMENT FOR THE ENVIRONMENT BY GOING DARK FOR ONE HOUR

BANGKOK, March 27, 2019 – Bangkok Marriott Hotel Sukhumvit will go dark for one hour on March 30th to shine a light on climate action in support of Earth Hour 2019. The hotel will join millions around the world in turning off its lights at 8:30 p.m. local time to illuminate a powerful message about environmental awareness and action. The World Wildlife Fund (WWF) created the annual global environmental awareness event 12 years ago to emphasize the threat of climate change.

Bangkok Marriott Hotel Sukhumvit will participate by turning off exterior signage lighting, turning off non-essential interior lighting, using candlelight in appropriate public areas such as lobby, restaurants and bars. Bangkok Marriott Hotel Sukhumvit will also participate in Marriott International's drive to raise funds for WWF.

"Each year, we celebrate Earth Hour and are reminded of the importance this event has in bringing awareness to the pressing issues of climate change" said Denise Naguib, Vice President of Sustainability and Supplier Diversity. "We have a responsibility, and an opportunity to share this message with the millions of guests and associates through bringing Earth Hour to life tonight, and continuing the focus every day through our sustainability and social impact platform, Serve 360."
