BE Health Association joined a press conference on World TB Day 2017

Recently, Mrs. Anne Marie Bettex-Baars, Managing Director of BE Health Association, a Switzerland based non-profit association, promoting strong public health and preventing infectious diseases, and a CSR partner of Kempinski Hotel together with Dr. Thawat Suntrajarn, Vice Minister for Public Health, Ministry of Public Health, and representatives from allied healthcare partners joined a press conference on World TB Day 2017 under a theme “Unite to End TB” at Kempinski Hotel, Bangkok.

BE Health Association aims at providing assistance and social protection to vulnerable groups of people contacting tuberculosis (TB) by collaborating with Ministry of Public Health and Bangkok Metropolitan Administration to permanently stop tuberculosis problems in Bangkok.
