Phang Nga - Kata Group Resorts Thailand, a leading hotel management company, is the proud recipient of a 2016 World Luxury Hotel Award for its stunning adults-only Beyond Resort Khaolak in Thailand's gorgeous province of Phang Nga. The winning category, recognising the attributes of the romantic villa resort, is set to be announced in October 2016.

The World Luxury Hotel Awards are the pinnacle of achievement for luxury hotels and resorts across the globe and highly respected accolades within the industry. Recognised worldwide, the awards honour the world-class facilities and service excellence to guests of hotels and resorts.

Beyond Resort Khaolak, by the white sands of Pakweep Beach, looks out to the blue waters of the Andaman Sea from its absolute beachfront location. Secluded and beautiful, the resort inspires romance and attracts wedding parties and honeymooners with its promise of spectacular sunsets and luxurious resort experiences.
