BMA joining hands with police and road safety partners to announce road safety policies for Songkran

On April 5, 2017, Bangkok Governor, Pol. Gen. Asawin Kwanmuang, joined a press conference together with road safety partners to announce road safety policies to prevent road traffic deaths and injuries during Songkran Festival. The press conference was hosed under Bloomberg Philanthropies Initiative for Global Road Safety (BIGRS).

At the event, there was a launch of “Never Drink and Drive” spot campaign and a seminar on the effective solutions to stop drink driving problems from views of road safety driven partners and drunk driving cases at Rattanakosin Meeting Room, Bangkok City Hall.
