BOHE-TIST Spirit Night

On Friday 20 September 2019, Hotel Baraquda Pattaya – MGallery and Mercure Pattaya Hotel led by the owner organized the 2019 annual staff party at Samphao Room Asia Pattaya Hotel.
The parties are held every year to honor hotel staff members for their great efforts, which are the driving force behind the hotel's success throughout the year. The theme of this year's fun-filled event was "Bohemian".
Thank you all, sincerely, for being true professionals, for being inspirational! You are a great team. This successful outcome, the result of all your hard work and dedication, is down to you.
