

Booking.com Names Chatrium Hotel Riverside Bangkok A Guest Review Award Winner

Booking.com, one of the largest travel e-commerce companies in the world, announced that Chatrium Hotel Riverside Bangkok has been named a Guest Review Award Winner for 2017.

The travellers' website said it grants the award to accommodation partners that "consistently deliver great guest experiences".

The annual Guest Review Awards are based on 140 million guest reviews from travelers around the world. To be recognized, properties must have an average review score of 8.9 or higher. Chatrium Hotel Riverside Bangkok received a score of 9 out of 10.

Situated on the banks of the legendary Chao Phraya River, Chatrium Hotel Riverside Bangkok is a multiple award-winning 5-star hotel offering unparalleled and truly breathtaking views.

Mr. Patrick Manthe, General Manager of Chatrium Hotel Riverside Bangkok, said he is delighted that Booking.com has honoured the hotel with the award. He expressed his heartfelt appreciation to the staff for their efforts and to the guests for their support.

Chatrium Hotel Riverside Bangkok is an oasis of captivating riverside charm in a vibrant and vital city. Come let us help make your experience a cherished memory.
