Bourbon Round Up

Strongly associated with the American South, the distinctive taste and reddish color of oak barrel-aged bourbon is the Studio Bar’s special offering in June. Two new cocktails, B&C, a blend of Jim Beam, cinnamon, angostura bitters, lime juice and elderflower syrup and Bourbon Delight, (Jim Beam, creme de cassis, apple juice, lime juice and elderflower syrup) are both available at THB 300 nett per glass.
