Brewski’s Craft Beer Dinner: One of a Kind in Bangkok

Venues’ Brewski has another treat in store for its guests in June: a new edition of the monthly Craft Beer Dinner, once again giving guests the chance to taste five of Beervana beer guru Brian Bartusch’s carefully curated pairings of brews and bites.

On Thursday, 29 June 2017, the Brewski and Beervana teams invite guests to join for another Craft Beer Dinner full of culinary surprises and delicious beers. This month the motto is “Walking on Air at Brewski” as the rooftop craft beer bar features American Strong Ales, IPAs and Pilsners produced by Stone Brewing in Escondido, California.

To go with Sone Brewing’s courageously named beers, Who You Callin’ Wussie and Arrogant Bastard, Venues’ resident Chef Thomas Smith has created similarly intriguing dishes for the evening, such as Got the Dough and Totally Tinned. While diners taste these exciting combinations, Brian Bartusch will be around to explain details about each beer and answer curious beef aficionados’ questions.

“Brewski’s craft beer dinner is a special event here in Bangkok. We are the only place that offers a beer pairing dinner where a small group of guests comes together to enjoy craft beer and food while interacting with the country’s top beer guru. Every month Brian tells great stories, shares his knowledge about each beer and makes the night a wonderful experience for everyone,” says Radisson BLU Plaza’s General Manager Peter Feran.

The Brewski Craft Beer Dinner will take place on Thursday, 29 June 2017, from 18.00 to 20.00 and is priced at THB 1,100 net per person. Guests are invited to book their tables in advance as there is a limited number of seats available.
