

Brighten and soften your body with an orange scrub

Ready for summer? At Novotel Bangkok on Siam Square, Tammachart Spa invites you to experience a miracle of nature with the "Fresh Orange Body Scrub". The orange scrub contains Vitamin C to help brighten and soften your skin. With 60 minutes treatment, the orange scrub exfoliates & slough away dead skin cells. Special oil and aroma help completed to nourish your new skin. The orange scrub is only 1,500 baht net per person and available until end of April 2016.
