

Centara Grand Beach Resort Phuket takes top honours as best Family Resort in Thailand

Holidays with Kids, one of Australia's most read family travel magazines have just announced their 2016 Family Resort awards. Centara Grand Beach Resort has topped the table for the first time winning Best Family Resort in Thailand.

Jumping from third place in the 2015 awards, Centara Grand Beach Resort is now a firm favourite for the Australian market and is the only five-star resort with direct access to Karon Beach offering families spacious family rooms, including double double bedding and interconnecting rooms. It also has an extensive range of family facilities including a waterpark with four swimming pools, lazy river and waterslides as well as a kids' club and daily activity program plus babysitting services on request.

Nominations came from over 600,000 Holidays with Kids readers and were ranked on categories including activities, facilities for kids, location and overall fun for the entire family.

Positioned at the quietest part of Karon Beach and only a 10-minute drive to the nightlife of Patong, it is no wonder Australian families have chosen Centara Grand Beach Resort, Phuket as the best family resort in Thailand.
