

# Centara kicks off 36th anniversary with epic 36-day global celebration

Centara Hotels & Resorts, Thailand's leading hotel operator, is marking its 36th anniversary milestone with a 36-day worldwide customer-focused celebration tied to the company's 1983 founding. On this occasion, it also marks the 36th anniversary of Centara Grand at Central Plaza Ladprao Bangkok, the first hotel of the group, together with the 10th anniversary of Centara Grand and Bangkok Convention Centre at CentralWorld and Centara Grand Mirage Beach Resort Pattaya.

Thirty-six years ago, Thailand's first shopping centre mega-mall development, Central Plaza, rose from a suburban construction site on Bangkok's Ladprao Road, complete with a brand new 5-star hotel that launched the Central Group's hotel business with one of the Group's largest investment commitments.

From its first hotel in Ladprao, Centara has grown and prospered. Today, 70 Centara properties with six distinctive brands are operational or under development across 12 countries, and the company is well on its way to doubling its global portfolio by 2022.

Centara will kick off the 36th anniversary celebration by rolling out a series of enticing offers, attractive promotions and lucky draws on 3rd June 2019, all featuring a special "36" theme. Guests should look out for the following limited-time deals:

**Every Third Night For Just THB 36** – For 36 days (3rd June to 9th July 2019), travellers will be able to stay with Centara for just THB 36. Under this amazing offer, guests who book a minimum three-night stay at any Centara hotel or resort worldwide – including five-star Centara Grand resorts in Thailand and the Maldives – will be able to pay just THB 36 for their third night.

**Lucky Stay E-Voucher** – For seven days from 14th to 20th June 2019, guests will be able to book rooms at selected Centara hotels for one set price (only THB 3,600 per night) and enjoy sublime stays with a higher value. **10 Year Travel in Style Challenge: Photo Competition** – Compete in the 10 Year Travel in Style Challenge with Centara, or the 36 Year Challenge if you dare.
