

Chatrium Hospitality announces its first hotel in Japan: Chatrium Niseko

July 2020: Chatrium hospitality is proud to launch a new Chatrium hotel in Japan, with Hyatt House Niseko being rebranded as Chatrium Niseko on the 1st September 2020.

Chatrium Niseko is located in the very heart of Hirafu Village, steps away from the best slopes, restaurants and bars in town. Niseko is a destination to discover consistent high-quality light powder snowfall in winter and comfortable temperatures in green season. "We are excited to open our first property in Japan, Chatrium Niseko. We look forward to welcoming world travelers who are seeking a unique destination and personalized experience during their stay. Our guests will have all the excitement of Niseko right at their fingertips," said Mr. Rene Balmer, Chatrium Group General Manager.

Chatrium Niseko features a choice of 76 studio, one, two and three-bedroom suites and penthouses, with typical sizes from 59 - 173 sqm.
