Mini burgers, known by many as sliders, is one of the hottest little food trends that swept the nation. Half the size of a classic burger, yet twice the fun. Topped with traditional condiments, sitting on mini-burger buns of different colors, our cheesy sliders are irresistible.

Our cheesy slider set includes a fish, chicken and beef mini burger, along with a bowl of salad and French fries on the side. Come on down to Hotel Baraquda Pattaya and indulge in our delicious cheesy sliders set for THB 333++ only!
