COAST'S "OH-FISH-CIALLY" TUESDAY AT CENTARA GRAND BEACH RESORT & VILLAS HUA HIN

When in Hua Hin, nothing is better than having fresh seafood dishes. At Coast Beach Club & Bistro every Tuesday, we make sure you get them even better – directly from the ocean to your plate – in the popular Oh-Fish-Cially promotion throughout May and June.

All the following Tuesdays, Coast Beach Club & Bistro at Centara Grand Hua Hin brings you the most mouth-watering fish selection in the ever-popular Oh-Fish-Cially promotion for dinner. Choose from a selection of four different "freshest" fish of choices and pair it with your favourite sauce and, of course, side dishes.

Some of "fresh-from-the-ocean" offers include exquisite salmon fillets, tasty sea bass, scrumptious snapper, or our pleasing catch of the day. Also on the endless evening is Chef's spread of buffet salads to accompany whichever Oh-Fish-Cially dish you choose – all making sure your dinner is even more invigorating.

Bring along everyone and enjoy a delightful evening at Coast Beach Club & Bistro with our Oh-Fish-Cially selections – served with your choice of classic sides and sauces, as well as a freshly-made salad spread.
