

# Cool Tunes on Thursday Night: Brewski Features DJ Koish

Venues' Brewski is getting ready to mix things up mid-month by welcoming talented guest DJ Koish for an entertaining night of music, drinks and food high above the roofs of Bangkok.

On Thursday, June 15, 2017, Brewski's console will be taken over by DJ Koish from 20.00 until midnight. This will give everyone the chance to enjoy their favorite mix of House and Disco music performed by one of the capital's most popular DJs all while they indulge in Brewski's sheer endless selection of craft beers from around the world.

While guests kick back on Brewski's panoramic terrace and take in sweeping views of Bangkok's impressive skyline, they are invited to take advantage of the night's food and drinks promotions. A carefully chosen selection of international craft beers and imaginative culinary creations by resident Chef Thomas will be offered at special rates and are sure to please even the most exacting palates.

"Brewski is the ideal place to spend a relaxing evening with good friends, excellent beer and delicious food. Add some fantastic music by one of Bangkok's hippest DJs and you've got yourself a great night out. We know that's exactly what our guests are looking for and are happy to partner with creatives such as DJ Koish to put this kind of fun and entertaining event together," says Radisson BLU Plaza's General Manager Peter Feran.
