

DT Group of Companies celebrate 25 years of success

DT Group of Companies (DTGO) celebrated its 25th anniversary in grand style. Mrs Thippaporn Ahriyavraromp, Group CEO, led the management team in a spectacular event at the Bangkok Convention Center of Centara Grand in CentralWorld. DTGO looked back over its achievements with activities to thank the friends, corporate members, and partners who support its business success and its initiatives for society and the environment. Many VIP guests honored the occasion by taking part, including Mr Paron Israsena na Ayudhya, Mrs Kobkarn Wattanavrangkul, Dr Mechai Viravaidya, Mr Chalit Manityakul, Mr Sunthorn Arunanondchai, Dr Sarasin Viraphol, Mr Anuwat Methiwiboonwut, Dr Jwanwat Ahriyavraromp, and many other leading figures. Mr Raj Tanta-Nanta, Group President, and Mr Visit Malaisirirat, CEO of Magnolia Quality Development Corporation Limited (MQDC), led the management team in welcoming all honorable guests.

The gala featured concerts from Pop-Pongkul and Lula and a special song, 'DTGO', from Boyd Kosiyabong and Nop Ponchamni. 'DTGO The Musical' from star director Paajaew Yuthtana Lopanpaibul told the story of DTGO. The event concluded with an after party with entertainment from the legendary artists Pu-Anchalee and The Palace Band.

DT Group of Companies is an organization that operates with transparency and clear anti-corruption measures and gives importance to both business and society. The group's businesses include MQDC, a domestic and international real estate developer that has created many quality residential projects; DT Design, which provides architectural design services; and Dees Supreme, which sources and supplies various products. The group is also committed to the social sector, helping establish the Buddharaksa Foundation and DT Families Foundation. Both foundations have developed innovations for sustainable social benefits, helping give children who lack opportunities the education and knowledge to progress in life and contribute to society.

Committed to adding value in everything it does, the DT Group of Companies will forge ahead as a strong force in business and an important contributor to society.

About DT Group of Companies (DTGO)

DT Group of Companies (DTGO) is a business-social organization that has been dedicated since its founding in 1993 to the generation of well-being for society.

DTGO includes Magnolia Quality Development Corporation Limited (MQDC), a property developer; DT Design, an architecture studio; DT Plans, a design, project management, and construction management consultancy; and Dees Supreme, a global procurement and trading specialist.

The group is also engaged in joint ventures that promote sustainable development. Obodroid and Obotrons develop robotics technologies and automation innovations, including Home Intelligent Systems. EEC-DT Green Power Limited designs and operates environment-friendly energy and utility systems. Brites is a lifestyle and entertainment business.

DTGO allocates 2% of its top line revenue to social activities, working through the Buddharaksa Foundation, DT Families Foundation, and other non-profit organizations.

About Magnolia Quality Development Corporation Limited (MQDC)

Magnolia Quality Development Corporation (MQDC) is a business unit of DTGO Corporation Limited (DTGO) that develops, invests in, and manages villa, condominium, and mixed-use projects with a corporate commitment 'for all well-being'.

MQDC develops residential and mixed-use projects under the luxury Magnolias brand and the youthful, urban Whizdom brand. The company has also set up The Aspen Tree to provide eldercare

residences and full-spectrum services, enabling 'aging in place', and recently launched the mixed-use The Forestias project.

The MQDC portfolio includes global and national landmarks such as ICONSIAM and groundbreaking applications of energy-saving technology such as WHIZDOM 101 'smart city'. The company provides an industry-leading 30-year warranty on its residential units in line with its exceptional construction standards.

Applying its philosophy of 'sustainnovation' MQDC aims to lead its sector in sustainability.

The company supports the Bangkok-based Research & Innovation for Sustainability Center (RISC), Asia's first research base for sustainable building with a focus on well-being.

MQDC also pursues innovation in energy-efficient technologies such as district cooling and onsite power through the EEC DT joint venture between EEC Engineering Network and DTGO.

MQDC is determined to operate with concern for all life on Earth, advancing this agenda through sustainable development for the wider benefit of society.
