The classic favourite is back in our kitchens! Steaming hot, home style chicken pot pie, cooked to perfection in Dusit Thani Bangkok's uniquely created recipe, makes a comeback on demand by our patrons who just can't get enough of it.

No matter where we travel the world or how much of culinary connoisseurs we become, nothing quite tugs at the heartstrings like some good, old-fashioned country cooking. Whether you want to be by yourself or have a few close friends over, chicken pot pie is a hot, simple, filling dish that endures through the times, ideal for a night in, or for potluck with company.

One of the perennial, much loved dishes at Dusit Thani Bangkok, has always been its chicken pot pie. A deliciously light and flaky crust enfolds slow-cooked chicken sealed in its own juices, blended in with mushrooms, carrots and potatoes in brown sauce, oven baked to golden perfection. Freshly baked daily, using the finest ingredients, Dusit Thani Bangkok's version of this quintessential soul food has been a winner all through.

Enjoy your all-time favourite at Dusit Gourmet, available daily from 07:00 – 22:00 hrs and attractively priced at THB 230 per portion.
