

Elegant Éclairs at Treats Gourmet, Chatrium Hotel Riverside Bangkok

If you have ever looked in the window of a French patisserie shop you will always see a row of glistening, chocolate covered, cream-filled eclairs. They are a true classic and nobody can resist them. That is why this month our Pastry Chef has designed a range of the most tempting Éclairs imaginable. Come and choose from Éclair Strawberry, Éclair Lemon Meringue, Éclair Almond Praline, Éclair Caramel Peanut Butter, Éclair Chocolate with Hazelnut or Éclair Pistachio.
