Enjoy fresh seafood on ice – in the sky – at Red Sky

It’s not only the drinks that flow from our rooftop bars here at Red Sky restaurant, Centara Grand at CentralWorld. Now you can come up to enjoy fresh seafood from our new ‘Seafood Bar’, with premium imported delicacies served chilled over ice.

For groups and parties visiting to enjoy the views, we recommended the extravagant “Seafood on Ice” – a huge assortment of giant prawns, lobster, juicy oysters, king crab, Carabineros, langoustines and mussels, all served with some dips and sauces to complete the perfect sharing platter (priced at THB 5,555++).

Those wanting to celebrate the night in style (perhaps with a bottle of Champagne or sparkling wine) can also try Red Sky’s exclusive “Oscietra Caviar” – one of the finest in the world. 30 grams from our Seafood Bar is priced at THB 3,955++ with free shots of frozen Absolute Vodka.

Don’t forget, Red Sky restaurant also serves a menu of bar snacks, starters and mains from the a la carte menu, as well as Seasonal Tasting Menu options, with seating options available both inside and out.
