ENJOY SCRUMPTIOUS WESTERN AND ASIAN SPECIALITIES WITH BEER REPUBLIC'S NEW SET LUNCH AT BAHT 255++ PER PERSON

Everyone's favourite meet-up spot, Beer Republic, is now offering a two-course business lunch for guests to enjoy with their loved ones, every Monday – Friday from 11:30 to 15:00 hours at Baht 255++. Guests can enjoy the meal as individually served courses, or family-style, with a larger group.

Guests can select one dish from each course. The first course menu includes a delectable range of starters, including dishes like the classic caesar, which comes with Romaine lettuce, anchovies, Parmesan, croutons, and bacon; beetroot feta salad with mixed greens; and calamari salad with onion and cucumber, Thai style. Diners also have the option of two soups, the Western style mushroom soup and tom khagai, Thai spicy soup with coconut milk, lemongrass and galangal.

Afterwards, guests can take their pick from the second course menu that includes a variety of staples from the East and West. For those who prefer a European-inspired meal, the steamed seabass fillet, vegetable wrap, grilled marinated lemongrass chicken breast, spaghetti AOP, or Beer Republic's signature beef chili will satisfy your lunchtime cravings.

For more local and regional flavours, guests can customise their second course with gai rue moo phad piew warn (stir-fried chicken or pork with sweet and sour sauce, and steamed rice); gaeng kiew waan gai rue moo (green curry with chicken or pork (or vegetarian), with steamed rice); khao phad gal rue moo (fried rice with chicken or pork); or wok fried noodles with chicken, pork or shrimps, broccoli and kale.

Guests can also order soft drink, Schweppes Soda, Ginger Ale, Tonic, Singha Soda or Minéré water

for a quick energy boost that will last all day.
