Enjoyable Kids’ Easter Activities at Sofitel Krabi Phokeethra Golf and Spa Resort

Easter is the most important Christian holiday that celebrates Jesus’ resurrection and is often celebrated with the purchasing of Easter chocolate eggs, as eggs are a symbol of re-birth. To commemorate this event, Sofitel Krabi Phokeethra Golf and Spa Resort has organised activities for children at the Kid’s Club on Sunday 1 April. Guests can bring their little ones to enjoy all-day activities such as face painting, Easter-egg designing, and cupcake decoration. Games like musical eggs and egg relay will also be held by the pool.
