f-code (Thailand) Co., Ltd. Co-Sponsors Thailand Startup Summit 2017

The team at f-code (Thailand) Co., Ltd. joined over 500 professionals, entrepreneurs and investors at this year's edition of the Thailand Startup Summit at the Rembrandt Hotel in Bangkok. At this event, Mr. Shimada, Managing Director of f-code (Thailand) Co., Ltd. held a keynote speech titled "Push Notification: Newest Tech to reach your targeted users" and highlighted important online marketing tactics that startups in particular should be aware of to ensure success in their early stages.
"Every year the Thailand Startup Summit attracts the country's best startups, leading investors and recent success stories. We are honored to be sponsors of this great event and are happy to have had the opportunity to give a keynote speech on one of today's key topics for new entrepreneurs, online marketing. We hope we made a valuable contribution and are looking forward to participating again next year," explains Mr. Shimada, Managing Director of f-code(Thailand) Co., Ltd.
