

# Function Meets Elegance At The River Room, Chatrium Hotel Riverside Bangkok

Following the recent renovation of its exquisite and expansive 630-square-meter Chatrium Ballroom, Chatrium Hotel Riverside Bangkok is proud to announce a new look for the The River Room – the hotel's equally luxurious and technologically impressive midsize meeting and function room.

Function meets elegance in all of Chatrium's facilities, and The River Room, at 270 square meters with an almost unlimited range of room configurations, is no exception. The River Room can be set up as a Boardroom for 40 persons, in a U-Shape for 60, as a Classroom or a Buffet for 90 persons, a Theatre for 200, a Cocktail gathering for the mingling of 300 persons, or as a Chinese Banquet for 180 persons.

The River Room includes a high-tech sound system, full HD support for 5 big motorized screen projectors – sized at 130 inches, 150 inches and 200 inches – and new chandelier lighting. Our professionals can work with you to make your event an outstanding success and a memorable experience.

This assurance sets you free to choose the best possible location, provided by the captivating riverside charm, outstanding service and unequalled facilities at Chatrium Hotel Riverside Bangkok.

All of this is complemented by customized coffee breaks and delectable dining courtesy of Executive Chef Spencer Kells and his team of expert chefs, with their wide selection of irresistible Chinese, Thai and international fare.
