HaiSurvey, creating your own survey for free up to 10 questions

W&S is a leading online market research agency with branches in Indonesia, Vietnam, and Thailand under management of W&S Holdings Co., Ltd. (Location: Shinagawa-ku, Tokyo, President : Fujii Yoshio). From January 11th, 2016, you can freely use a consumer survey of Southeast Asia Do-it-Yourself online research system “Direct HaiSurvey” and we just announce free feature upgrade. From previously “up to 5 questions 100 samples” to “up to 10 questions to 200 samples” By widening the free feature range, now it’s possible to use the service to do incidence check surveys and other purposes. You can see more detail in the website below http://haisurvey.com/
