Hard Rock Hotel Pattaya welcomes the new pool

Hard Rock Hotel Pattaya is now turning up its volume to entertain you with a whole new experience that is as stylishly rock ‘n’ roll as it is unique

Located on Pattaya Beach Road overlooking the sunset of the Gulf of Thailand, Hard Rock Hotel Pattaya has completed its extensive pool renovation after 2 months of upgrading work. The largest free-form swimming pool on the Eastern Seaboard is now equipped with more kid’s activities, slides, frames, Jacuzzis, sun-decks, underwater speakers, LED lighting that makes you feel as if you are swimming among the stars, and much more await you to jump-in and enjoy.

The list of new amenities, restaurants, bars and services all add-up to elevate the renewed Hard Rock Hotel Pattaya into the list of must-see destinations in Pattaya, much like it was 15 years ago when the property first opened its doors.
