Heritage launches 6 new Nature’s Sensation granola varieties, The best ingredients to inspire a healthier lifestyle.

Bangkok – Heritage Group, Thailand’s leading manufacturer of healthy foods and beverages is launching six new Nature’s Sensation flavors; giving the unique and crunchy granola taste an appetizing twist whether as a feel-good snack or to inspire a healthier start to any day. Nature’s Sensation granola is now available in Goji Granola; Super Seed Granola; Unsweetened Granola; Cocoa Granola; Fruity Granola; and Berries Granola. These exciting flavors add to the two exisitng varieites already produced by Heritage, Original Granola and Nutties Granola available at 7-11. High in fiber, wonderfully filling and with no added sugar, Nature’s Sensation granola appeals particularly to millennials on the go who want a quick, convenient and delicious breakfast or snack that supports a healthier lifestyle and a cleaner food diet.
All eight varieties of Nature’s Sensation granola are now available at THB 28 at Lawson 108, Gourmet Market, Home Fresh Mart, Villa Market, Foodland and Big C.
