

IN-SEASON MANGOSTEEN SWEETENS THE AFTERNOON TEA SCENE AT ZEST BAR & TERRACE

Taste buds are tingling with mangosteen as civilized citizens sit down for High Tea together where underground and overhead train lines meet, at Zest Bar & Terrace, from July through September. The cosmopolitan, pleasantly convenient lounge bar's chefs indulge the eye and palate alike with eight sweet and savory morsels starring "The Queen of Fruits" snow-white juicy fruit and tangy flavor.

Pass the afternoon well at 7th Floor at the Westin Grande Sukhumvit, Bangkok with:

- Smoked Duck Breast, Mangosteen Compote in Panini Bread
- Avocado & Mangosteen Bruschetta
- Herb-flavored Quinoa and Mangosteen Salad
- Thai-Style Mangosteen Clafoutis
- Mangosteen Yoghurt Panna Cotta/Vanilla Beans
- Layered Mangosteen Compote/Vanilla Sponge
- Baked Cheesecake/Purple Mangosteen
- Mixed Berry Scone/Mangosteen Jam

Mangosteen is an especially healthy summer delicacy. Low in calories and high in fiber, it's got lots of essential nutrients with no saturated fats or cholesterol. Once temptingly described as "like the finest nectarine, with a dash of strawberry and pineapple", it's credited with controlling heart rate, countering allergies and repairing the body with vitamin C.

Mangosteen High Tea stimulates the scene at Zest Bar & Terrace daily from 12:00-18:00 hrs., priced THB 990 net per set for 2 persons. SPG® and Club Marriott members enjoy special discounts.

Steps from BTS Asok SkyTrain and MRT Sukhumvit underground stations, chilling inside or on the terrace above the city, make the most of mangosteen's fleeting season over high tea at Zest Bar & Terrace.
