Introducing Bangkok's Most Vibrant IV Drip Bar, Anti-ageing and Aesthetics Hub – VIVID By Verita Health

Bangkok, 15 October 2020: Anantara Hotels, Resorts & Spas steps into the world of integrated health and wellness with the introduction of VIVID by Verita Health at Anantara Siam Bangkok Hotel.

Located in the garden courtyard setting adjacent to the Bangkok jet set's much-loved retreat from the capital's buzz, Aqua Bar, VIVID at Anantara Siam Hotel Bangkok is ideal for anyone with a pro-active interest in living a healthy lifestyle while looking and feeling their best.

The perfect pit-stop for busy go-getters seeking instant cellular rejuvenation, VIVID by Verita Health is a vibrant IV drip bar, anti-ageing and aesthetics hub that provides therapies and treatments designed to return vigour, energy and balance to modern lives.

VIVID recognises everyone as a unique individual and is committed to customising the guest experience. Whatever the concern, a host of IV infusions and advanced cellular and aesthetic treatments await.

The IV menu offers a variety of well-researched and scientifically proven solutions designed to meet the demands of everyday life. Guests can experience a host of powerful health benefits that enhance mental clarity, supercharge the immune system, turn back signs of ageing, beat fatigue, alleviate hangover symptoms, boost metabolism, and provide more energy to enhance overall wellbeing. Whether it is preparation for, or recovery from, a big night out, revival after a long-haul flight, or a boost from a busy day on Bangkok's sightseeing trail, VIVID provides IV drips, shots, and pushes to invigorate and refresh. Each IV cocktail ingredient is carefully sourced and formulated to ensure maximum quality and optimal results.

Packed full of vitamins and nutrients, immune-boosting IV therapies are available to protect against unwanted illnesses, common viruses, and other bacteria. For the jet-set, the consequences of a hectic travel schedule navigating international time zones are hindered with jet lag IV infusions formulated to rehydrate, revive, and improve sleep. VIVID by Verita Health is the perfect pit-stop in between the boardroom and the bar after a long day of back-to-back meetings.

Beauty concerns are addressed with booster shots and IV pushes that work to reduce the signs of ageing, brighten tired-looking skin, flush out toxins, combat free radicals, and improve skin tone.

With cosmetic and cellular treatments specialising in skin transformation and facial rejuvenation utilizing advanced anti-ageing protocols, the team of highly trained doctors provide a range of solutions.

And at the forefront of anti-ageing treatments, VIVID's medical experts deliver advanced cutting-edge techniques to lift, tighten, contour, enhance and sculpt facial features.

Complementing the wide variety of IV, cellular and aesthetic treatments, Verita's exclusive Elements of Wellness include medical-grade oxygen and photo-luminescence therapy to recharge the internal system by increasing O2 levels in the body and balancing the circadian rhythm.

Neat and compact, VIVID boasts chic and contemporary interiors with a sleek stainless-steel finish, while quirky messages brightly adorn the walls in LED luminescent lighting as a reminder to Treat Your Body Like a VIP. In an exclusive and luxury setting, VIVID offers guests a private and personalised experience, in addition to a dedicated doctor's consultation room for customised care.

Always on the go with non-stop hustle and bustle, Bangkok is in constant evolution, and with no limits to wellness, VIVID is the city's first and only IV drip bar and aesthetics hub found within in a

five-star hotel. VIVID by Verita Health allows visitors and residents alike to keep up with the pace while enjoying a less clinical, more bespoke experience.
VIVID is the first in a trio of next-generation healthcare facilities to open in partnership with Anantara Hotels, Resorts & Spas. Due to launch in 2021, Verita Health will open at Anantara Riverside Bangkok Resort offering a full spectrum of diagnostic and preventative medical treatments and programmes. Meanwhile, a third facility in collaboration with Verita Healthcare group will open at Anantara Layan Phuket Resort offering a full spectrum of the latest medical wellness technologies and experiences.
To celebrate the opening of VIVID by Verita Health, a special limited-time exclusive 2-for-1 offering on IV Drips and Pushes is available 31 October 2020. *Terms and conditions apply.
