Italian – style New Year’s Eve Banquet

A celebratory menu of the finest dishes awaits you at Loop to welcome in the New Year, prepared by resident Italian chef Roberto Panariello. A choice of smoked salmon with carpaccio and nutritious avocado or thinly-sliced Parma ham and creamy Stracchino cheese is followed by ravioli of lobster tails or Paccheri pasta with braised boar in red wine. Following a cleansing mulled wine and lemon sorbet, the main course is served – a tough choice between succulent grilled Canadian lobster with saffron risotto or an impressive T-bone steak, grilled to your own taste. Perhaps a short break is then needed, but, to finish, one of Roberto’s famous desserts must be tried; a creamy amoretto cheesecake, a richly filled Sicilian cannolo or mixed seasonal fruit platter – the choice is yours!
This superb end of year meal is just THB 1400, and for children under 12, THB 700.
