The TAT's Women's Journey Thailand campaign is aimed at attracting local women from Thailand and female tourists from abroad through a variety of activities and deals. The campaign and Kata Group promotion runs throughout August 2016 to celebrate the birthday month of Her Majesty Queen Sirikit.

The five promotional strands of the campaign focus on pampering, relaxation and wellbeing with Beautiful Look; Beautiful Shape; Beautiful Retreat; Beautiful Mind; and Beautiful Experience. Each Kata resort promises a menu of holistic therapies and beauty treatments at signature Kanda Spa, a beachfront infinity pool to lounge around and yoga and fitness centre to energize; the perfect leisure break for women of all ages to kick-back, rejuvenate and revitalize in a stunning beach holiday setting.

More women than ever are traveling independently and are the main decision-makers when it comes to where to go and what to do on family holidays. Whether women are traveling alone or with their friends, the TAT campaign and Kata Group offers encourage women to make the most of some good quality 'me' time during August.

Female tourists seek sun, sea and safety on a getaway and Kata Group resorts welcome ladies with inviting soft sands, beachside beauty and a secure stay with friendly, helpful staff. Female guests can then unwind in a quality leisure destination and resort, celebrating being the wonderful women they are.
