

Khao Lak Transfer

Charoenkit has been established in Khao Lak, Phang Nga, to offer new and exclusive transportation options in this tourist destination. From the moment you land at Phuket airport we can have a high-end airport transfer waiting for you. While you are staying in Khao Lak you may want to explore the area by motorbike? We can help you out. Or perhaps it's a more luxurious private speedboat charter you are looking for? We can provide an excellent day out to the Similans, Surins or Koh Tachai.
