

Kingston Hotels Group fundraise and donate Oxygen Regulators to Bamrasnaradura Infectious Diseases Institute for COVID-19 patients

Kingston Hotels Group, one of the leading hotels group in Bangkok continues its campaign “KHG CARES” by fundraising money from the management and associates in 7 properties to purchase 13 oxygen regulators valued at THB 60,000. These oxygen regulators were donated to Bamrasnaradura Infectious Diseases Institute for COVID-19 patients.

Khun Angsumalin Christie, general manager at Royal President Hotel and Kingston Suites Hotel together with associates on behalf of Kingston Hotels Group visited the institute and donated these 13 oxygen regulators to Khun Rangsan Thamoolsan, Deputy Director of Administration Bamrasnaradura Institute.

“KHG CARES” is a campaign that unites all hotel staffs among Kingston Hotels Group (KHG) including Solitaire Bangkok, Eleven Hotel Bangkok, Grand President, Royal President, Kingston Suites, and 2 new hotels that are opening in late 2021 and beginning of 2022, to join forces in sharing a support to the team of doctors, nurses and all medical personnel who strive hard in this pandemic situation of COVID-19.

During the past years, Kingston Hotels Group has always supported them by sending over 2,000 food box to more than 10 hospitals, medical centres, and communities in Bangkok and nearby.
