

Ladies First on Tuesday Night @ Brewski

Venues' Brewski is proud to announce that Ladies Night @ Brewski is back! Tuesday night's just got a little more lively with the continuation of our "Ladies Night in White", taking place at Brewski, Bangkok's highest rooftop craft beer bar on Tuesday, July 25, 2017.

Riding high on the success of our official launch last month, "Ladies Night in White", is back again for a second month in a row and is gearing up to be bigger and better than ever. Taking place every last Tuesday of the month, both male and female guests are invited to start the week off in style by stopping by our rooftop oasis between the hours of 18:00 to 01:00 for live music, great food and discounts on our impressive selection of frosty craft beers.

Brewski is the place to come if you are single and want to mingle or if you want to mix it up with your partner, work colleagues or friends. Ladies who dress in white attire will be eligible for extra special treatment, and will receive two glasses of Raspberry Rubaeus to start the party off right. All guests can enjoy the crisp and cold craft beer on tap, and our chef will be creating a signature menu of dishes made to compliment the flavours of our world renowned craft beer while the DJ spins popular hip hop hits from 20:00 to midnight. To make the night even more fun and memorable, all guests can enter our 'Lucky Draw' and have a chance to win a voucher for one 60 minute "Escape Remedy Signature Massage" valued at 2000 THB for 2 people at our exclusive SPA esc.

"We are very excited about the success of ladies night at Brewski and I want to invite everyone to join us for this fun filled evening. Brewski is the perfect place for both ladies and men to hang out with friends, enjoy our beautiful terrace setting and explore our wide variety of different flavours and styles of craft beers from around the world," says Bastian Gaerner, Radisson BLU Plaza's Director of Sales and Marketing.
