

Lalamove Delivery Stays Dry During Songkran

Purchase Service available as Bangkok bike boxes deliver door-to-door for free

March 28th 2017, Bangkok – Hong Kong based on-demand delivery app Lalamove is reminding hungry customers who want to stay dry and dine on non-soggy food at home during Thailand's New Year Songkran Festival to book their waterproof box delivery. Whilst the water festival on April 13th – 15th is fun it can be a challenge for those who want or need to keep dry during the festivities.

The Lalamove Purchase Service enables customers to order deliveries, including consumer goods or food deliveries, with the driver paying for items and being reimbursed on delivery. The service is available to the value of 1,000 THB, meaning that with Lalamove those who want to eat well yet avoid venturing out to a restaurant or food shopping in the midst of a water-gun battle can do so.

A simple tick to request a free 'Food Delivery Box', found under 'Additional Service' ensures door-to-door deliveries arrive via those Lalamove bikes with a specially designed orange box that keeps all contents dry; a must for any delivery through Bangkok's wet Songkran streets.
