# Lalamove Pick-Up Price Drops Down

Truck rental rates for near and far home and office moves reduced

May 24th, 2017, Bangkok – Hong Kong based on-demand delivery app Lalamove is moving its moves upwards to a new high.

Lalamove is offering its growing customer base a special new cut-price for its pick-up rentals at just THB 450 plus THB15 per kilometer for the first 100 kilometers; with rates dropping down even further with distances exceeding this and attracting out-of-town movers who need a pick-up and driver beyond Bangkok. Currently, Lalamove door-to-door delivery services are available from Bangkok to the capital as well as Chonburi, Rayong, Chanthaburi and Nakhon ratchasima
More and more customers are taking advantage of Lalamove's quality pick-ups, experienced drivers and professional delivery services. Customers are increasingly using Lalamove to move home, transport goods bought and sold between individuals advertised online as well as office moves.

Capable of transporting one ton per pick-up with additional services such as the driver and extra hands helping with the load, Lalamove is perfect for moves both near and far.

Easy to use and customer-friendly, the Lalamove app has also recently been redesigned to enhance the user experience with scope for adding more features too.
Lalamove now hosts the largest delivery service area across Asia with operations in Hong Kong, Singapore, Bangkok, Taipei, Manila and 43 cities in China with over 50,000 drivers. The number of registered users regionally has grown to more than 5 million in the past three years. In Thailand, the number of download is currently 210,000 with over 17 thousands of registered drivers.
