About Lalamove
Originally founded in 2013 as EasyVan in Hong Kong, Lalamove is Asia's leading local delivery platform with a presence in 45 cities including Hong Kong, Singapore, Bangkok, Taipei, Manila and 40 cities in China with hundreds of thousands delivery drivers. In Thailand, the number of download is currently 210,000 with over 17,000 registered drivers.
Lalamove's mission of making local delivery faster and simpler is driven through harnessing the power of mobile internet to bring the sharing economy to logistics. In the past three years, more than five million customers and hundreds of thousands of professional van, motorcycle, lorry and truck drivers across the region have used Lalamove to help their business grow.
Lalamove revolutionizes the local logistics landscape with innovations such as instant order matching, GPS vehicle tracking, 24/7 services, and drivers rating. Not only does the service help fulfil customers' business needs, it also makes our cities greener by helping drivers optimize their work which ultimately means we need fewer vehicles on the road.
